## Summary

I am an enthusiastic IT student currently pursuing a Bachelor of Science (Hons) in Computing at Informatics College, Pokhara. I have a strong foundation in computer networking, operating systems, hardware troubleshooting, and software support. Through academic projects and lab-based learning, I have developed practical technical skills and problem-solving ability. I am eager to begin my career in IT Support and contribute to efficient and reliable IT system operations.

## Education

Bachelor of Information Technology (Hons) in Computing - 4th Semester (Ongoing)

Informatics College, Pokhara

## Projects and Practical Experience

### Sole Sisters - E-commerce Website

- Developed a front-end e-commerce website using HTML, CSS, and JavaScript.
- Designed user-friendly layout including homepage, product pages, and navigation.
